*By signing above, you authorize United Community FCU to extend your final loan payment by one month. The \$35 processing fee per loan will be automatically deducted from your Share Savings Account, or you can send a check. Interest will continue to accumulate on your loan during the month you skip your payment. If your loan payment is made via payroll deduction or direct deposit, the total monthly payment amount will be credited to your Share Savings Account in the month following the month you elected to skip. All co-applicants and co-signers on the loan(s) must also sign the coupon to qualify. When the first payment is made after your summer skip-a-payment is applied, low months' interest will be charged prior to any payment of principal. Eligible loans for skip-a-payments must be in effect at least 3 months and current. By taking advantage of this offer, the final maturity date will be extended by one month. Coupon must be received at the credit union at least 5 days prior to the due date of your loan payment. Offer must be used before August 31, 2017. Other restrictions may apply.
